Total Cumulative Liability				\$0.00	\$0.00		

(1) Funds spent. Negative liability. As long as the debt service fund remains bona fide, no further calculations should be required.
(2) Represents liability at installment computation date of December 15, 2019.

*Unless otherwise noted, all liabilities represent annual estimations of the rebate and yield restriction amounts as of your current fiscal year end.

**Next IRS pay date represents potential payments that are upcoming in the next two years from the current fiscal year end. Actual IRS calculation dates and payment dates may be accelerated as a result of refundings/defeasances occurring after the date of this summary.
