

NOTICE TO ALL AFFECTED PARTIES

The Coastal Water Authority (CWA) intends to abandon a portion of an irrigation canal laterals in Chambers County, Texas known as Cedar Point Lateral Re-Lift Canal. The lateral can be identified in the W. H. Hodges Survey, Abstract 13, Chambers County, Texas.

That portion of the lateral is further described as that portion of Cedar Point Lateral Re-Lift Canal commencing at a point lot north of Interstate Highway (I. H.) 10, crossing Fm-3360 and FM-565, and just west of Sunnyside Drive. The lateral portion runs from this approximate point in a southeasterly direction 8,400 feet, more or less, where the abandonment will terminate.
