

**Bayport Water Line Replacement Phase 2**  
**Construction Administration and Inspection Services/Construction Materials Testing**

**RFQ Questions/Response**

**10/18/2018**

1. Can you confirm if we can self-perform to meet MWDBE requirements?

No self-performance by the Prime firm will be accepted toward meeting the MWSBE Participation Goal.

2. We are proposing a Resident Engineer/Project Manager (1 person) and a full-time inspector. Is this what CWA is asking for?

Please refer to Section D: Scope of Work of the Request for Qualifications for Professional Services.

3. If we are an SBE – does that count towards the goal – or does it have to be MBE, DBE or WBE?

Yes – SBE would count toward the MWSBE Participation goal as long as that firm is not the prime firm.

4. What does it mean by “8 bound copies”? Using a binder clip, or binders?

CWA has asked for 8 copies of your Statements of Qualifications. You may use bind the SOQ's together in any fashion you see fit.
